

Friends of Christ Church Cathedral

Christ Church Cathedral is the home of the Diocese of Missouri, and was the first Episcopal Church west of the Mississippi River. A grand, gothic structure, the current cathedral building is a prominent part of downtown St. Louis, the home to the bishop's offices, a center for urban ministry, and a congregation that seeks to minister to its neighborhood and beyond.

Christ Church Cathedral is also the center of many civic, ecumenical and interfaith service, projects and

ministries, and takes a prominent role in the affairs of St. Louis and the region.

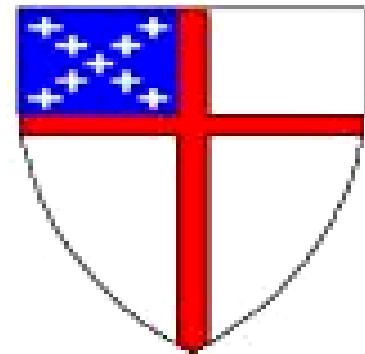

In addition to its congregation and many gifts it has received over the years, the Cathedral still looks to many friends to support its ministry and calling in the 21st century.

The Friends of Christ Church Cathedral is an organization whose purpose is to support and sustain the ministry and work of the Cathedral.

Our members share the proud heritage of the Cathedral. We seek to preserve that heritage for the generations who will follow.

Membership dues and other support money are used to enhance the Cathedral either by maintenance of the structure or mission in the community. The many gifts in the past have been used to remodel spaces for ministry or support the outreach of the Cathedral. Your dues and gift are always put toward the ministry and mission of this great American cathedral.

As an added feature, this fall we will have our first Harvest Dinner, to gather the Friends of the Cathedral, celebrate our ministry and share our stories and fellowship. Watch for this date and be sure to join us!

Friends

We need our friends, so that we can extend our friendship and ministry into the community. Your participation in the Friends of the Cathedral is of great value to us, and a great gift to God's ministry in this place. Please join us as a Friend of the Cathedral. If you have belonged in the past, please renew your membership. With your help, support, prayers and donations, we are stronger in Christ.

Our goal for this year is \$5000, which will be used to replace worn carpet in our ministry area. Without your support we will be unable to do this necessary remodeling.
